

INTEL TAIWAN - LET'S DO SOMETHING WONDERFUL

Intel Microelectronics Asia Ltd, (Intel Taiwan) is the company's Asia Pacific stronghold for the development of desktop and notebook computers, as well as communications devices. As part of Intel's Asia Pacific Sales and Marketing Organization, Intel Taiwan operations encompass product promotion, platform support, research and development (R&D), procurement, marketing, and education initiatives. In addition, Intel Taiwan provides world-class sales and support to Taiwan's PC industry at the original equipment manufacturer (OEM), developer, and end-user levels.

OUR MANAGERS ARE LOOKING FORWARD TO E-MEET YOU!

You may have heard about us from our processors, but we do so much more! Meet our managers to get an overview of all the wonderful things that we are doing here at Intel. Below are the details of the “meet n greet” sessions with you and our managers from **Sales and Marketing, Engineering, Supply Chain Groups**:
